#### All members must:

- 1) Act fairly and reasonably in our dealings with apartment rental tenants and treat tenants with honesty, professionalism and dignity.
- 2) Strive to provide tenants with safe, clean, functional off-campus apartment housing and will adhere to all safety related codes.
- 3) Stringently practice fair off-campus apartment housing policies as provided by law (Federal, State and local)
- 4) Respond promptly to tenant requests for service and assistance
- 5) Strive to keep informed of, and abide by applicable laws and regulations.
- 6) Be responsible and encourage tenants to be responsible to our off-campus apartment properties, neighbors and community.
- 7) Make every effort to maintain our properties so they contribute to the neighborhoods in which they are located.
- 8) Act fairly in all matters regarding security deposits: making only these deductions which are fair and reasonable, and return security deposits as promptly as possible.
- 9) Work to serve the community in which we love and do business.
