Fire, Rescue and Emergency Medical Services

Join the Durham Fire Department as a Firefighter/EMT

The Durham Fire Department is excited to announce an opportunity for the position of Firefighter/EMT. We are currently accepting applications to fill an open vacancy and to create a hiring eligibility list.

What You'll Need:

Applicants must meet the requirements of the NH Code of Administrative Rules PART Fire 701 (Mandatory Hiring Standards). This includes psychological, medical, and background pre-employment screening with a valid Candidate Physical Ability Test (CPAT) certificate.

What You'll Need to Achieve:

Within the first year of employment, candidates must successfully obtain Pro-Board Firefighter II certification; EMT certification through the National Registry of Emergency Medical Technicians (NREMT); CDL-B driver's license (with Air Brakes and Tanker endorsement); and complete an intensive probationary training program.

Preferred Qualifications:

A college degree with course work in a related field and Advanced EMT certification is desired, but not required.

Lateral Transfers:

Lateral transfer candidates are encouraged to apply and must meet PART Fire 703 (Transfers).

Compensation:

The base pay range for the position is \$50,056 to \$70,364, commensurate with experience and NREMT certification level, plus educational incentives and a competitive benefits package.

How to Apply:

For consideration, please email a resume to durham.fire@unh.edu to the attention of:

**Deputy Chief Robert Atwater
