Re: Addition and renovations to 15 Newmarket Road (former Town Hall building) – Map 5, Lot 4-10

Dear Bill and Carrie,

The Durham Historic District Commission approved your plans for the addition and renovations to 15 Newmarket Road at its meeting on September 1, 2016. The plans were approved as presented to the HDC and as approved by the National Park Service.

Please contact Karen Edwards, Administrative Assistant, at 868-8064 to apply for the necessary building permits. As you know, we will also be holding a minor site plan review for the site on September 20, 2016. If any changes from the approved plans are subsequently contemplated, including changes to the site which are subject to HDC purview, please be sure to let me know.

Bill and Carrie, thank you for your cooperation in the review process. Congratulations on receiving your approval also from the National Park Service. We are excited to see this outstanding project move forward.

Sincerely,

Michael Behrendt, Town Planner
