Re: HDC approval for new sign – 37 Main Street, Map 5, Lot 1-5

Dear Jacque,

The Durham Historic District Commission approved your application for a sign for True North Movement at its meeting last night on July 6, as submitted and presented to the HDC with the following clarifications:

- There is to be one sign at the front left corner of the building hanging from the existing wrought iron bracket.
- The sign is two sided.
- The sign will have a matte finish.
- The sign will not be directly illuminated.
- Approval is subject to confirmation that the vinyl material meets this standard in the ordinance: *Synthetic materials that achieve the desired appearance of traditional hand-crafted signage are acceptable.* Please bring a sample of the material into my office when you have a chance and I can okay it.

Please contact Karen Edwards, Administrative Assistant, at 868-8064 to apply for any necessary building permits. Jacque, thank you for your cooperation in the review process. Please be certain to contact me if any changes are contemplated and feel free to contact me with any questions or concerns. Welcome to Durham and I wish you the best of luck with your new enterprise.

Sincerely,

Michael Behrendt, Town Planner
