## ARTICLE XII.1 USE AND DIMENSIONAL STANDARDS

## 175-53. Table of Land Uses.

Table 175-53, Table of Land Uses shows the uses that are allowed in the various zoning districts.

The following Table of Uses identifies allowed uses of land, buildings, or structures in all zoning districts. There is a definition in 175-7 for each of the uses listed in the table. Permitted Uses are indicated by a "P" in the appropriate column. Uses permitted only by Special Exception are indicated by a "SE." Uses permitted only with the issuance of a Conditional Use permit are indicated by a "CU." Uses not permitted in that district are marked with an "X." Uses indicated with a CUA are Conditional Uses that are allowed only as an adaptive reuse of an existing building. Any use that is not listed as a Permitted Use or a Conditional Use is prohibited in the district. The following uses are specifically prohibited in all zoning districts:

- 1. All-Terrain Vehicle/Off Highway Recreational Vehicle Facility
- 2. Airport, private
- 3. Airport, commercial
- 4. Heliport
- 5. Drive-through facilities other than as an accessory to a financial institution as set forth in the table below
- 6. Junkyard
- 7. Cemetery
- 8. Warehouse, mini-storage

All projects involving the construction or enlargement of a building or structure that will be used for a nonresidential use or a multi-unit residence or that will create 2 or more dwelling units (not including accessory apartments and accessory dwelling units) or that involve the erection of a personal wireless service facility are subject to review and approval by the Planning Board in accordance with the provisions of the Site Plan Review Regulations of the Town of Durham, New Hampshire. A nonresidential use includes any use listed below as a Rural Use, an Institutional Use, a Recreational Use, a Utility and Transportation Use, or a Commercial and Industry Use.

In addition, a change in the occupancy of an existing building is also subject to Site Plan Review by the Planning Board if the change in use is:

- 1. from one category of nonresidential use to another category of nonresidential use;
- 2. from a residential use to a nonresidential use;
- 3. from a nonresidential use to a multiunit residential use; or
- 4. from a single-family residential use to a multiunit residential or a nonresidential use.

## Notes

- 1. For the use "Mixed use with residential (office/retail down, multiunit residential up)," see the definition. The layout of uses within the building or lot may also be specified by zone in Article XII, including some flexibility allowed by conditional use in the Central Business District under Development Standards
- 2. The use is permitted only on lots of 3 acres or greater. Roosters are permitted only in the Rural District.
- 3. In the Central Business District the use is permitted only on rooftops.
