**NOTICE OF PUBLIC HEARING**  
**Durham Planning Board**

A public hearing before the Town of Durham Planning Board will be held to receive public input on a proposed amendment to the Site Plan Regulations as described below. The amendment can be viewed in entirety on the Town website at:

[Amendment to Site Plan Regulations - Minor site Review for Accessory Freestanding Solar Arrays | The Town of Durham New Hampshire](#)

**Amendment description:**

Change the language in the Durham Site Plan Regulations, Part II. Site Plan Review Process, Article 7. Minor Site Committee, Section 7.8 Threshold for Minor Site Review to add the following: ***“10. Installation of freestanding solar energy systems that are accessory to multi-unit residential or nonresidential uses.”***

**Public Hearing:**

Date: Wednesday, July 24, 2024

Time: The meeting starts at 7:00 p.m. Sometime after 7:00 p.m.

Location: Town Council Chambers, Durham Town Hall, 8 Newmarket Road, Durham, NH 03824

The agenda for the meeting will be posted in Town Hall and on the Town’s website by the Friday prior to the meeting. Note that public hearings may be continued from one meeting to another, and some may be postponed at the meeting, without additional notice. Please feel free to contact this department with any questions, to submit comments in writing, for an update on the proposal, or if you have any disability requiring special provisions for your participation.
