- 1) Role of the Planning Board. The role of the Planning Board is to oversee and plan for the harmonious and functional physical development of the town of Durham by preparation of the Master Plan, adoption of Site Plan and Subdivision Regulations, making recommendations about the Zoning Ordinance and the Zoning Map, reviewing development proposals, providing comments on the Capital Improvements Program and generally advocating for smart growth principles.
- 2) Public hearings and public comments. *The public is welcome to speak at all public hearings and during the Public Comments time.* Comments on all matters, except those for which a public hearing is on the agenda, should be made during the Public Comments time (including comments on agenda items this evening). The public may speak and submit written/email comments on any subject germane to the business of the Planning Board except active matters where the public hearing has been closed. Any email, letter, document, or other information that is pertinent to a decision which the Planning Board is expected to make at the upcoming Wednesday meeting, must be received in the Planning Office by the prior Monday at 5:00 p.m. or the board will consider the submitted material only at its discretion (This limitation does not apply to comments made at the actual public hearing).
