ENERGY CONSIDERATIONS CHECKLIST (November 27, 2011)  
Planning & Community Development and Code Enforcement Offices  
Town Hall, 15 Newmarket Road, Durham, NH 03824; 603-868-8064

- PURPOSE -

This checklist was developed by the Durham Energy Committee together with the Durham Planning Board. It is intended to encourage developers, applicants for Site Plan Review, applicants for building permits, and members of the Durham Planning Board to consider and discuss optional energy efficiency measures appropriate to a specific application rather than to mandate general requirements. Discussion at early stages may result in opportunities for energy and cost savings.
