Re: **Site Plan Review Application**
Oyster River High School – Proposed Track and Field

Dear Mr. Behrendt:

On behalf of Oyster River School District, enclosed is a Site Plan Package submitted for a courtesy review for the above referenced project.

The proposed project consists of construction of a 400-meter running track and synthetic turf field in the location of the existing soccer field, construction of a 1,000-seat bleacher system, reconstruction of the baseball field and softball field, and construction of site lighting.

If you have any questions or require additional information, please feel free to contact me.

Sincerely,

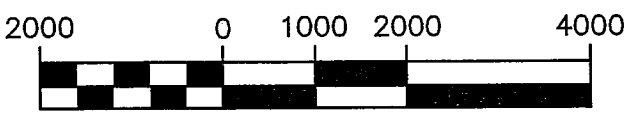

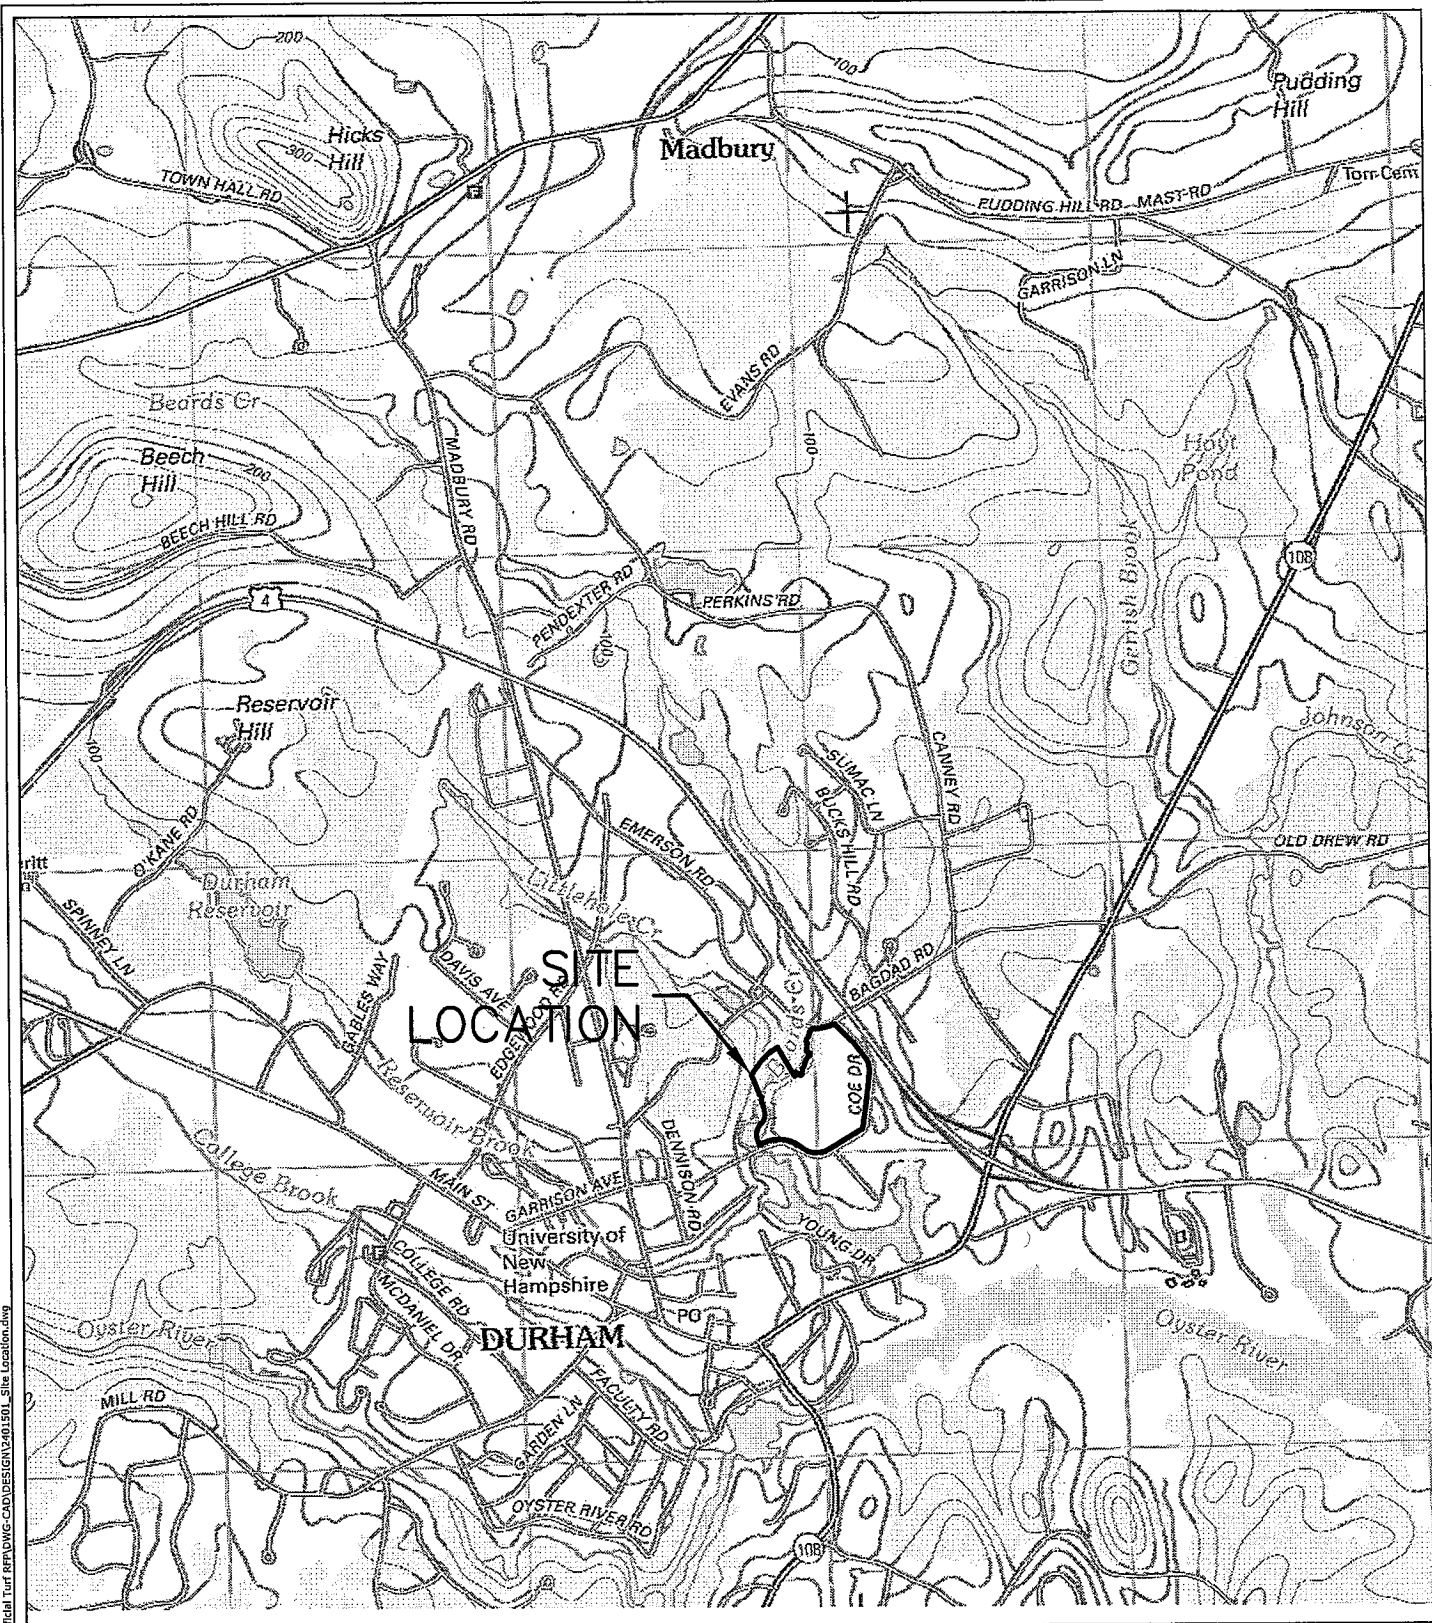

Bradlee Mezquita, P.E.
Vice President
