Planning Board  
Town of Durham  
8 Newmarket Rd.  
Durham, NH 03824

To the planning board chairman and members, et al,

Thank you for your support to date of the Seacoast Repertory Theatre's efforts to subdivide and sell the property known as the "Mill Pond Center." By this letter I confirm The Rep's intention to subdivide the property into three (3) separate lots, two as sites for new construction, and one containing the existing structures.

On behalf of the theatre I further confirm that it is our intention to market and sell all three lots exclusively as single owner-occupied properties.

Again, thank you as well as the town manager and his staff for your continued assistance and encouragement as we seek to find the best possible outcome for both the Seacoast Repertory Theatre and the Town of Durham.

With kindest regards,
