***Town Planner's Recommendation***  
**Wednesday, March 25, 2015**

IX. ***Public Hearing - University of New Hampshire Stadium.*** Proposed renovations and addition of seats to Cowell stadium and possible changes to the stadium's sound system. Review per RSA 674:54 Governmental Land Uses. Doug Bencks, University Architect, for UNH, property owner. ***Recommended action:*** Close public hearing and provide nonbinding comments to UNH.

➤ I recommend the board hold the public hearing, close the hearing, and then provide nonbinding comments to UNH.

*\* It would be worth looking very closely at the information about the sound system provided in the packet from UNH.*
