3:03 pm Call to order

Steve Mortineau led the walk around the property and answered questions for Friends Forever.

- Details of who and when would be staying overnight were provided.
- Lighting locations and angles were noted. The lights will be shielded.
- The Bed and Breakfast designation is for the purpose of Life Safety issues. It provides the best protections for the visitors. There is no plan to run the property as a true bed and breakfast.
- A tour of the interior was also provided.
