Applicant

Tom Beauvois

Conservation Committee

Sally Tobias
John Nachilly

3:00pm Call to order

The location of the garage was staked out.

- Ledge locations on the property were identified.
- The stream was viewed in relationship to existing structures and the driveway.
- The garage will have a 4ft frost wall.
- The driveway will not be paved.
- Silt control will be utilized.
- No regrading of the property is planned.

3:11 pm Adjourned

Respectfully Submitted,
Paul Rasmussen
