To Whom it May Concern,

My company, Clark Properties, LLC, has recently executed a Purchase and Sales Agreement with Town and Campus, LLC, to acquire one half of 72-74 Main Street parcel. A critical component of this agreement is to divide the parcel in two, creating two lots of approximately 9,439 sq. ft. each.

Doucet Survey has recently completed an updated survey of the property and created a boundary line that creates two relatively equal sized lots.

I will follow up this subdivision request with a redevelopment proposal within the next couple of months.

Sincerely,

Douglas Clark
603-312-3643
