Re: Approval of cutting of trees on scenic roads

Dear Robert,

At its meeting on July 25, 2018, the Durham Planning Board approved the removal of 12 trees on Packers Falls Road and Bennett Road as part of its review of tree cutting on scenic roads. The board approved removal of 12 trees as shown on the attached document that you provided (labeled 13H2 at the top) – those trees that are marked. The tree marked 24 is not included as you determined that this tree is not located in the road right of way.

Thank you for your cooperation in the review process.

Sincerely,

Michael Behrendt
