Subject: 18 Main Street - Site Plan Application

Hi Michael,

The fire department has no objections to the proposed site plans as submitted for this property. As long as there is no vegetation encroaching into the travel lanes, such as overhanging limbs and branches, the additional pavement and access from Cowell Road will improve the fire department's access to the apartment building located at 18 Main Street, as well as buildings adjacent to the lot.

Thank you.

John T. Powers, Deputy Chief
Durham Fire Department
(603) 862-1426
