Subject: Parking in the downtown.

Good Morning,

I would like to address the issue of additional parking for the downtown area. My name is Richard Many, 73 Newmarket Road and the manager of Town & Campus on

Main Street. I used to be able to park behind 4 Ballard Street while at work but as a result of the sale of the property I am no longer able to use that spot. Any additional parking that could be made available to alleviate the lack of parking in the core area would be appreciated.

Thank you.
