**Town Planner's Review**  
**Wednesday, January 23, 2019**

X. **Parking Section of Zoning Ordinance – Proposed Revisions.** Changes to the existing ordinance proposed by Audrey Cline, Building Official; April Talon, Town Engineer; and Michael Behrendt, Town Planner.

- I recommend discussion and incorporating appropriate changes into the draft.

Audrey Cline, Building Official, plans to attend the meeting to help explain the proposed changes.

A draft was presented to the Planning Board for discussion on December 12. The board got part way through the document and made a number of comments. I revised the document for the board's review on January 23: adding some new sections for consideration and incorporating some of the board's comments.
