Subject: Spruce Wood at Durham Condominium Association response to Boundary line adjustment

Good Morning Mr. Behrendt,

On behalf of the Board of Directors (and the residents of SWADCA), I am writing this to let you know that we find no objection to this project.

We have reviewed the documents and gathered expert advice from our neighbor, Robert Brown, and find that there is no impact to our Association from this proposal.

We may have interested neighbors attending the site walk but we as a Board have communicated to our neighbors that we see no problem with this adjustment.

Thank you for the information.

If you have any question for me, please feel free to contact me. I will not be back from Florida until the middle of May or else I would be at the site visit.

Sincerely,

1
