Subject: 74 Main Street Mixed Use Building

Hi Michael,

I hope you and Naomi and your whole family are doing well during this crazy time.

I wanted to email you my support for the creation of the Democracy House at 74 Main Street in Durham. I believe that the center would be a wonderful community builder in Durham. It would be an open place where community members could gather, hold meetings, and increase community engagement.

I know that bringing any new building to Durham takes consideration and careful planning. I also think that having the Democracy House as part of the new building would add to our already vibrant community.

Thank you,
Wendy Brooks
