Re: Slania Enterprises – 12 Jenkins Court

In reviewing the proposal from Slania Enterprises to install a concrete pad to enable outside dining for the Bamee Thai Restaurant at 12 Jenkins, I have the following comments:

- This is a great addition to solve the challenge of servicing diners during the Covid-19 pandemic and fits appropriately within this area of restaurants.
- Lighting on the patio should be directed away from Jenkins Court so as not to impact vehicles traveling upon Jenkins Court.

If you have any questions pertaining to my suggestions, please do not hesitate to contact me.
