## **NOTICE OF APPROVAL**

Hello Rich and Robert,

The Planning Board approved the application from Durham Public Works to remove five trees on Durham Point Road, a scenic road, at its meeting on August 12, 2020. This includes the two white oaks and three white pines as described in your application signed July 23, 2020. Julie Bryce, resident at 17 Durham Point Road, spoke in favor of the request. She was the only party who spoke at the public hearing. Eversource can commence the work any time without any additional review by the Town of Durham. Thank you for your cooperation in the review process.
