Subject: Piscataqua Road #190 - DCC recommendation *
Date: Tuesday, May 25, 2021 2:53:21 PM

To the Planning Board,
The Conservation Commission reviewed the application from Tom and Erin Daly for a conditional use for various accessory structures in the WCOD and SPOD last night. The commission voted to recommend that the 4 specific criteria are met with a condition that the Planning Board be specific about addressing maintenance issues.
