Re: Approval of Tree Cutting on Scenic Roads

Dear Bob,

The Planning Board approved your application for Eversource for tree cutting on the Town's four scenic road at its meeting on February 23, 2022. The application involves the removal of 145 trees as specified on your list and trimming numerous others (not specified). The trimming will be conducted as presented in your application and consistent with the Town's Policy for Tree Trimming on Scenic Roads.

Thank you for your cooperation in the review process.

Sincerely,

Michael Behrendt
