Greetings, again --

Following up my previous email, I thought I'd provide a detail from aerial photograph 5 in the 6-photo slideshow available here:

Zillow: <https://www.zillow.com/homedetails/Durham-Point-Rd-2-Durham-NH-03824/2069777363_zpid/>

On this attached detail photo I've labeled both the McNitt house and barn.

Regards,

-- Robin
