Greetings,

It may be helpful for Board and Commission members to see aerial views of this property as shown on a real estate listing last summer (2021; the sale closed in late September).

Zillow: <https://www.zillow.com/homedetails/Durham-Point-Rd-2-Durham-NH-03824/2069777363_zpid/?>

If site users click on a photograph (not the map), a slideshow will open, allowing one to see various views. The subject property was outlined in white by the listing
