Durham, NH 03824

**Re: Site Plan for Tideline Public House 15 Newmarket Rd.**

Dear Michael,

The following information has been submitted for the July 13, 2022 planning board meeting. Included herewith is;

1. Revised plans with minor design updates including traffic signage.
2. Drainage analysis report.

The plans have been updated with minor design changes including revisions to the pedestrian barriers, removal of overhead utilities and proposed installation of underground utilities, signage for traffic control, drainage improvements and updated parking requirements. In addition, a drainage report has been prepared, therefore the waiver for the drainage analysis would be formally withdrawn.

If you need additional information, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "Michael J. Sievert". The signature is written in a cursive style.

Michael J. Sievert PE
