Subject: Tideline Public House

Dear Mr. Beherendt and Mr. Selig,
I am writing in support of the proposed plans for the Tideline PUblic House. This seems like a great option for this underutilized space and could actually make Durham a destination location for people looking for awesome Food truck vibes. I know we have visited the Kittery Food Truck "park" as a family, and while the food is awesome, the atmosphere is lacking. Having something like this proposal in town would be an amazing addition to a fabulous community. I hope you are willing to approve this plan. Thank you for your time.
