Michael,

Hope all is well! Just wanted to drop a quick note that Scott Letourneau had reached out about a dumpster that would abut my property at 15/17 Schoolhouse lane. I wanted to express that I have no objection to this and support the project as a whole. I think this is an exciting new business for Durham. I'm planning on attending the meeting tomorrow but in case I cannot attend I wanted to share.

Thank you!

Justin Webber
