Subject: Parking on Schoolhouse Lane

Hey Michael,

Hope you are enjoying your summer so far. Once again not sure I'll be able to attend the meeting tomorrow on the Schoolhouse Lane project. I wanted to write that as the owner of 15 & 17 Schoolhouse Lane, I would be disappointed in the potential loss of 9 parking spots adjacent to my property. Those spots allow for guests at my property, parking for myself when my lot is full, convenient parking for snow removal season when we quickly need to plow, etc. I would assume these spots are also some sort of a revenue generator for violators. It's also my opinion that these would be used by patrons at the new restaurant. Having these spots in place, and full fairly consistently, might just cause people to slow down on Schoolhouse lane. I can't tell you how many times I've been there and people are flying by.

Thanks again for taking the time to read this.

Can you confirm what time the meeting is tomorrow? I just got back from vacation and am buried in emails/mail.

Thanks!!!

Justin S. Webber
