

December 7, 2022

Dear Members of the Durham Planning Board,

I attended the Housing Public Hearing on November 30. After further consideration, I urge the Board to outright reject the current proposal. It conflicts with the Master Plan and is not aligned with the community goals of retaining the neighborhood character as well as rural character.

Sincerely,

A handwritten signature in cursive script that reads "Annmarie Harris". The signature is written in black ink and is positioned below the word "Sincerely,".
