Information to be included on the plan:

The function of the plan is to convey very clearly the nature and pertinent details of the project. Some of these items may not be needed depending on the character and scope of the proposal. Please check with the Town Planner with any questions. The Town Planner can advise the applicant about which items he believes may not be needed in order to save the applicant expense. However, the Conservation Commission and Planning Board make their own determination about particular items that are necessary to conduct their review. If the timeframe for the project is tight, the applicant is encouraged to provide more information up front to reduce the chances of the review being continued to an additional meeting allow for additional information to be submitted.
