## POSITION OPENING

### WASTEWATER TRADESMAN / MECHANIC

The Town of Durham has an immediate opening for a Wastewater Tradesman Mechanic in the Wastewater Division. This is a full-time, AFSCME unionized position that offers excellent medical, dental, life, and disability coverage, eleven paid holidays per year, and state retirement. Hourly wages start at \$22.53 / hour.

Applicants must have at least one year of municipal wastewater related experience, a strong knowledge of all aspects of various mechanical systems, pumps, electrical, computer, and SCADA associated with the treatment process, and the ability to troubleshoot and repair all associated equipment.

Applicants must have a New Hampshire Class B CDL license with a clean driving record and the ability to hold or obtain a tanker endorsement within sixty days. Possession of a New Hampshire Grade I Wastewater Operator license is required with the ability to obtain a New Hampshire Grade II Wastewater Operator license within one year.

Applicants will be required to be on a rotational standby and required to work rotational weekends. Applicant must be willing to work in all adverse conditions and ability to perform occasional strenuous physical labor.

Applications and a more detailed job description are available at the Public Works office or online at [www.ci.durham.nh.us/jobs](http://www.ci.durham.nh.us/jobs).

Letters of interest and resumes can be sent to:

Daniel Peterson, Wastewater Superintendent  
100 Stone Quarry Drive  
Durham, NH 03824
