

## ***Position Available***

### ***Heavy Equipment Operator***

We are looking for a team player to work in our Highway division as a heavy equipment operator. This is a full-time, AFSCME unionized position that offers excellent medical, dental, life and disability coverage, eleven paid holidays per year, and state retirement. High school diploma or GED equivalent are minimum educational requirements to apply. Applicants must have a commercial driver's license, class A or B with at least 3 years driving experience and heavy equipment operation and maintenance.

Must have high school diploma or GED to apply. Must be willing to be on call for 24-hour emergency operations such as snow plowing. Hourly wages starting at \$21.43, plus opportunities for overtime.

Any questions please call 868-5578

Applications are available at the Public Works office or online at [www.ci.durham.nh.us/jobs](http://www.ci.durham.nh.us/jobs). Qualified applicants must submit resume and application to the Public Works Department at below address no later than 2:00 PM, January 18, 2019.
