POSITION OPENING

MAINTENANCE WORKER IV – HIGHWAY DIVISION

The Town of Durham in New Hampshire's seacoast region is one of the most beautiful and desired locations in the State and is home to the University of New Hampshire. Durham Public Works, a recognized leader in the Public Works field, is fully integrated and progressive using modern equipment and facilities to achieve its goals. The Department is seeking a highly qualified team member to join an exceptional team of Public Works professionals to serve in the role of Maintenance Worker IV – Highway Division.

The successful candidate will undertake rewarding and challenging work, at times using independent judgment, to execute work involving the maintenance and construction of roads, sidewalks, right of ways, open spaces, Town properties, and drainage conveyance systems to ensure the safety and functionality of the Town's infrastructure and multi-modal transportation network. The position performs laboring tasks when not assigned to equipment operation and assists in other maintenance-related functions within Durham Public Works when needed. The position works under both the general and direct supervision of the Operations Manager, Assistant Public Works Director, and Public Works Director in this versatile and exciting role.

This full-time, 40-hour-per-week position offers excellent medical, dental, life, and disability coverage, paid time off, and eligibility in the State of New Hampshire retirement plan. The salary range for this position is from **\$25.09 to \$28.59/HR**, depending upon qualifications.

The successful candidate will have a minimum of three (3) years of demonstrated experience in the safe operation of equipment used in road and utility construction and maintenance in addition to heavy equipment operation and maintenance procedures. Applicants will have a current State of New Hampshire Class B Commercial Driver's License with Air Brake Endorsement. This position requires emergency response on a 24/7 basis and performing work in adverse weather conditions.

Applications and a more detailed job description are available at the Durham Public Works main office.
