ZONING BOARD OF ADJUSTMENT REQUEST PROCEDURE

MEETINGS: The Zoning Board of Adjustment (ZBA) will meet on the second Tuesday of each month in the Council Meeting Room at the Town Hall.

FILING OF APPLICATION: Applications for ZBA are available at the Town Office. The application must be filed at the Town Office at least 15 days prior to a meeting, along with an application fee. A notice of the meeting will be published in the Foster's Daily Democrat and a similar notice will be sent, by certified mail, to abutters and nearby property owners. The filing fee will be used to meet these expenses. If the expenses exceed the filing fee, the applicant will be billed for the difference.

LIST OF ABUTTERS: You must prepare a list of all abutting property owners, have it verified at the Town Office, and attach it to your application. If you have any difficulty, consult the Assessor's Office, but **THE ACCURACY OF THE LIST IS YOUR RESPONSIBILITY**. An "abutter" means any person whose property adjoins or is directly across the street or stream from the land under consideration. The list of abutters must also include any holders of conservation, preservation, or agricultural preservation restrictions in accordance with RSA 676:4 (I) (a) of the New Hampshire Planning and Land Use Regulations.

PLOT PLAN: Applications must be accompanied by plot plans in order to be considered by the ZBA. Plans should show the location and shape of the subject structure in relation to lot lines and required setbacks, in addition to location and identification of abutters. Neither the review of any applications or plans by officials of the Town of Durham, nor any subsequent inspection of the premises, should be relied upon as an assurance of conformity to legal requirements. The applicant shall remain fully responsible for complying with all applicable United States, New Hampshire or Durham laws, ordinances, regulations or conditions.

PRESENTATION AT MEETING: The Petitioner should bring all documentation, which will assist the Board in understanding the proposal. Do not assume that anything submitted to a different Town Board will find its way to the ZBA file.

NOTE: Appeals to the Board of Adjustment may be taken by any person aggrieved or by any officer, department, board, or bureau of the municipality affected by any decision of the administrative officer. An appeal of Administrative Decision must be filed with the Board no later than 30 days from the date of the original decision as per the Zoning Board Rules of Procedure Section D(1)(b).

It is necessary that the applicant or his legal representative attend the meeting held for the review and consideration of this petition.

Please send this form with Plot Plan and List of Abutters to the Town of Durham, 15 Newmarket Rd., Durham, NH 03824, Attn: Zoning Board of Adjustment.

SECTION 4: APPLICATION FOR A VARIANCE

STANDARD OF REVIEW: Prior to seeking a variance, the property owner must have been DENIED a building permit by the Building Inspector or approval by the Planning Board.

Any Variances granted shall be valid if exercised within 2 years from the date of final approval, or as further extended by local ordinance or by the zoning board of adjustment for good cause, provided that no such variance shall expire within 6 months after the resolution of a planning application filed in reliance upon the variance.

A Variance is requested from Article XXIII Section 175-133M of the Zoning Ordinance to permit the installation of a new sign

at the entrance to the Emery Farm. The existing structure will remain. The new sign will be hung off this existing structure in the same spot as the sign that is currently there.

The New Hampshire Legislature has declared that each of the following conditions must be found in order for a variance to be legally granted. Please answer the following questions in support of the variance request either on this form or on a separate sheet of paper.

1. No decrease in value of surrounding properties would be suffered because:

The size of the sign won't change.

2. Granting the variance would not be contrary to the public interest because:

Emory Farm has been an important part of this

community for a long time, and the new sign will help
to keep it a viable business.

Current law requires the existence of unnecessary hardship for the granting of any variance, whether that is for a use not allowed in a particular zone or a deviation from a dimensional requirement.

3(A). Owing to special conditions of the property that distinguish it from other properties in the area, denial of the variance would result in unnecessary hardship because:

a. no fair and substantial relationship exists between the general public purpose of the ordinance provision and the specific application of that provision to the property because:

and

b. the proposed use is a reasonable one because:

Or

3(B). Owing to special conditions of the property that distinguishes it from other properties in the area, the property cannot be reasonably used in strict conformance with the ordinance, and a variance is therefore necessary to enable a reasonable use of it.

Because we are an agricultural business on
a road with cars travelling at a high rate of
speed, a large sign is needed.

4. By granting the variance substantial justice would be done because:

the high rate of traffic + speed requires a bigger
sign to be effective.

5. The use will not be contrary to the spirit and intent of the ordinance because:

The existing sign will remain, which has been in
place for 25 years. The size is important for this
particular road.
