ZONING BOARD OF ADJUSTMENT REQUEST PROCEDURE

\$200 pd.

Check #

MEETINGS: The Zoning Board of Adjustment (ZBA) will meet on the second Tuesday of each month in the Council Meeting Room at the Town Hall.

FILING OF APPLICATION: Applications for ZBA are available at the Town Office. The application must be filed at the Town Office at least 15 days prior to a meeting, along with an application fee. A notice of the meeting will be published in the Foster's Daily Democrat and a similar notice will be sent, by certified mail, to abutters and nearby property owners. The filing fee will be used to meet these expenses. If the expenses exceed the filing fee, the applicant will be billed for the difference.

LIST OF ABUTTERS: You must prepare a list of all abutting property owners, have it verified at the Town Office, and attach it to your application. If you have any difficulty, consult the Assessor's Office, but **THE ACCURACY OF THE LIST IS YOUR RESPONSIBILITY**. An "abutter" means any person whose property adjoins or is directly across the street or stream from the land under consideration. The list of abutters must also include any holders of conservation, preservation, or agricultural preservation restrictions in accordance with RSA 676:4 (I) (a) of the New Hampshire Planning and Land Use Regulations.

PLOT PLAN: Applications must be accompanied by plot plans in order to be considered by the ZBA. Plans should show the location and shape of the subject structure in relation to lot lines and required setbacks, in addition to location and identification of abutters. Neither the review of any applications or plans by officials of the Town of Durham, nor any subsequent inspection of the premises, should be relied upon as an assurance of conformity to legal requirements. The applicant shall remain fully responsible for complying with all applicable United States, New Hampshire or Durham laws, ordinances, regulations or conditions.

PRESENTATION AT MEETING: The Petitioner should bring all documentation, which will assist the Board in understanding the proposal. Do not assume that anything submitted to a different Town Board will find its way to the ZBA file.

NOTE: Appeals to the Board of Adjustment may be taken by any person aggrieved or by any officer, department, board, or bureau of the municipality affected by any decision of the administrative officer. An appeal of Administrative Decision must be filed with the Board no later than 30 days from the date of the original decision as per the Zoning Board Rules of Procedure Section D(1)(b).

It is necessary that the applicant or his legal representative attend the meeting held for the review and consideration of this petition.

Please send this form with Plot Plan and List of Abutters to the Town of Durham, 15 Newmarket Rd., Durham, NH 03824, Attn: Zoning Board of Adjustment.

SECTION 4: APPLICATION FOR A VARIANCE

STANDARD OF REVIEW: Prior to seeking a variance, the property owner must have been DENIED a building permit by the Building Inspector or approval by the Planning Board.

Any Variances granted shall be valid if exercised within 2 years from the date of final approval, or as further extended by local ordinance or by the zoning board of adjustment for good cause, provided that no such variance shall expire within 6 months after the resolution of a planning application filed in reliance upon the variance.

A Variance is requested from Article 2, 20 Section 175-7 of the Zoning Ordinance to permit short term rental 175-109

The New Hampshire Legislature has declared that each of the following conditions must be found in order for a variance to be legally granted. Please answer the following questions in support of the variance request either on this form or on a separate sheet of paper.

1. No decrease in value of surrounding properties would be suffered because:

There are no abutters to this lot other than fields we own in a separate lot. Also, no change to the property will take place physically and there will be very minimal traffic change.

2. Granting the variance would not be contrary to the public interest because:

There would not be any change to the basic character of the area.

Current law requires the existence of unnecessary hardship for the granting of any variance, whether that is for a use not allowed in a particular zone or a deviation from a dimensional requirement.

3(A). Owing to special conditions of the property that distinguish it from other properties in the area, denial of the variance would result in unnecessary hardship because:

a. no fair and substantial relationship exists between the general public purpose of the ordinance provision and the specific application of that provision to the property because:

An accessory apartment is allowed in our single family dwelling, and we have had significant requests for shorter stays. Parents want to visit UNH students for 1-2 days and we have had requests of other people for as long as 3 months.

and

b. the proposed use is a reasonable one because:

As property owners we should be able to open our home to guests for short term stays as well as long term stays.

We are in our home when visitors stay there, and we are very careful regarding who is able to stay in the home we love so much.

Or

3(B). Owing to special conditions of the property that distinguishes it from other properties in the area, the property cannot be reasonably used in strict conformance with the ordinance, and a variance is therefore necessary to enable a reasonable use of it.

4. By granting the variance substantial justice would be done because:

it will allow the owner to utilize and enjoy their property as they desire without impact on neighbors or the environment. It will also allow us to open our home in the

5. The use will not be contrary to the spirit and intent of the ordinance because:

It will not have impact of any difference than the current ordinance, because we will occupy our home and will not be expanding the current allowed use

frames that fit with our schedules and meet the requests we get from potential visitors.

of an accessory apartment.
