Dear Joanne Tremaine,

Your newly installed generator is within your side-yard setback of 50 feet. Please see if there is another location on your property that you could place the generator within 50 feet of the side and/or rear boundary lines. If there is not, you may need to seek a variance before the Durham Zoning Board. Please call me with any questions you may have at (603) 868-8064.

Sincerely,

Audrey Cline  
Zoning Administrator/CEO
