Subject: Comment on Wooden Nutmeg Farm Condominium Variance
Date: Friday, October 05, 2018 9:08:57 AM

In response to the Notice of Public Hearing sent last week, as a neighbor to the parties involved, I am writing to express that **I support** the Wooden Nutmeg's Variance request with the Zoning Board Adjustment, as well as its LLR request with the PB.

Thank you,

Bruce Leichtman
