

I, Joan E. Luel, as an abutting neighbor of 15 Garden Lane on this day 5-14-202  
(DO X / DO NOT \_\_\_)

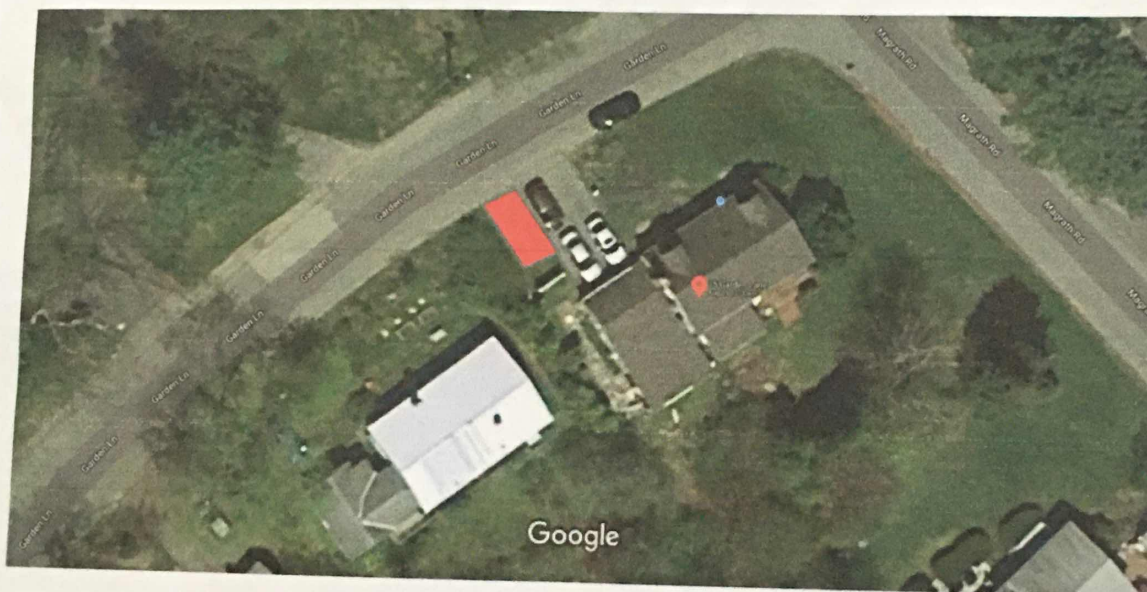

Give my approval of building a newly constructed front porch, the dimensions of 4 feet in depth by 8 feet wide, with an awning. I am aware that this new porch would come out toward the front set back an additional 12 inches from where the current existing steps are now.

I also (DO X / DO NOT \_\_\_) give my approval of widening the driveway opening by way of paving an additional parking space, to the right of the driveway, for the pre-existing accessory apartment as proposed in the attached image.
