To: The Town of Durham Zoning Board of Adjustments
From: Qing Lin, Durham, NH Ref: Tax Map 113, Lot 102
Dear Members of the Board, I am writing to withdraw my application for a variance regarding wetland buffer infringement. After further consideration, my family has decided to modify our dwelling to meet the existing buffer requirements, so a variance is no longer needed. Thank you for your attention to our request.

Sincerely,
Qing Lin

Hi Lin

I am just checking to make sure you received the letter about your variance application for 15 Foss Farm Road. I know you mentioned verbally that you no longer wish to continue with the application, but I need something in writing from you by Friday if possible. You can just send me an email saying that you no longer wish to continue the application.

Thank you so much,

Tracey
